Complete clearance sale of 38 very young Limousin cows.
29 with young calves at foot (3 to 12 weeks) &
9 incalf (Dec/Jan).

A top quality herd for Shane Gleeson, Cappamore. (Shane was a Better Farm Participant)

Lots 1 to 30 are cows with calves at foot (the calves have C after the lot number i.e. cow is lot 2 and her calf is lot 2C).

Some of the cows may be announced as back in-calf, but this is not a guarantee that they will calf on or near the date given, nor is a guarantee that they will carry full term.

Lot No. 3 = Has damage to right ear, caused by the shear-grab approx. one year ago. It seems to have healed up well.

Lot No. 14 = Has an adopted calf 14C and all went fine.

Lots 31 to 39 are in-calf. An approx. date of calving will be announced on the day of sale, but this is not a guarantee that they will calf on or near the date given, nor is a guarantee that they will carry full term.
